

BOSS[®] 699 Wasp 'N' Hornet Killer

TYPICAL PROPERTIES

Physical Properties

General Appearance	Clear
Color	Colorless
Fragrance/Odor	Petroleum Distillate
Evaporation Rate (Water=1)	N/E
Solubility in Water	None
pH	N/A
Specific Gravity (concentrate only)80
Spray Pattern	Jet Stream
Works at room temperature	Yes

Environmental Profile

2-Butoxyethanol (Butyl), E-Series or other Glycol Ethers	None
% Phosphorus (elemental)	None
Ozone Depleting Compounds	None
Chlorinated Solvents, Fluorocarbons, Phenol Compounds ...	None
Dibutyl Phthalate; NTA; EDTA; APE; NPE; DEA; Alcohol	None
Acidic; Caustic; Alkaline; Corrosive; Reactive	No
Contains Heavy Metals	No
Recyclable Packaging	Yes

Regulatory

% VOC (by weight)	0.15
Meets Current Consumer Products VOC Guidelines	Yes
EPA Registered	Yes
USA CPSC Flame Extension	Extinguishes Flame
NFPA Code 30B Storage Level	3
HAPs (Hazardous Air Pollutants)	None
CA Safe Drinking Water (Prop. 65) Ingredients	None
Carcinogens, Mutagens, Teratogens (NTP, IARC, OSHA)	None
SARA TITLE III, Sect. 313 Reportable	Yes
DOT Hazard Classification	ORM-D

FEATURES

- Drops wasps, hornets & yellow jackets instantly
- Kills with residual action up to 4 weeks as wasps & hornets return to nest
- Jet spray shoots a stream that will reach nests up to 20 feet above ground
- Use indoors or outdoors
- Nonflammable & non-chlorinated
- Contains no ozone depleters
- Dielectric to over 47 KV
- Contains Synergist Piperonyl Butoxide, Permethrin & Tetramethrin

DESCRIPTION

BOSS[®] 699 is the ideal wasp and hornet spray for today - developed without chlorinated solvents or ozone depleters. This nonflammable formula contains two synthetic pyrethroids. One for knockdown and one for residual killing action up to four weeks. Effective both indoors and out, the powerful wide stream easily blasts up to 20 feet. In addition, the product is nonconductive to 47,000 volts.

APPLICATIONS

BOSS® 699 Wasp 'N' Hornet Spray can be used in and around condos, apartments, cemeteries, parks, industrial sites, cable companies, ship yards, schools, phone companies, lumber yards, pipeline workers, recreational areas, AC repair, storage yards, cities, utility companies, power plants and tree trimming companies.

HOW TO USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results, spray in early morning or late evening when insect activity is minimal. Stand a safe distance from nest and not directly underneath. Remove protective cap. Hold can upright and point spray opening toward nest with wind at your back. Spray until nest is thoroughly saturated to kill the entire nest population. Residual action will kill wasps and hornets returning to the nest.

To kill wasps, hornets and yellow jackets under eaves, screens, window frames, doors, patios, cracks, holes or crevices wherever insects are noticed, spray for 1-2 seconds or until surfaces are moist.

To prevent entrance of insects into the house, spray around points where insects enter such as outside plumbing, faucets, etc., and cracks and crevices in foundation as well as along sills and ledges.

LIMITATIONS

Do not apply to pets or contaminate feed, foodstuff, dishes or utensils. Avoid spraying vegetation directly. Do not use in commercial food/feed handling establishments, restaurants or other sites where food/feed is commercially prepared, processed or served. Not for use in Federally inspected Meat and Poultry Plants.

PACKAGING

BOSS® 699 is available in 13.5 oz. cans.

SHIPPING LIMITATIONS

Ground shipments only. Cannot ship by air.
Reactive VOC 1 g/l (<.15% wt)

STORAGE AND SHELF LIFE

BOSS® 699 Wasp 'N' Hornet Spray has a minimum shelf life of 12 months from date of shipment.

CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. **KEEP OUT OF THE REACH OF CHILDREN.**

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

NOTE TO PHYSICIAN: Contains petroleum distillates - vomiting may cause aspiration pneumonia.

USERS PLEASE READ

The information and data contained herein is believed to be accurate and reliable; however, it is the user's responsibility to determine suitability of use. Since the supplier cannot know all the uses, or the conditions of use to which these products may be exposed, no warranties concerning the fitness or suitability for a particular use or purpose are made.

It is the user's responsibility to thoroughly test any proposed use of our products and independently conclude satisfactory performance in the application.

Likewise, if the application, product specifications or manner in which our products are used requires government approval or clearance, it is the sole responsibility of the user to obtain sure authorization.

The supplier warrants only that its products will meet its specifications. There is no warranty of merchantability or fitness for use, nor any other express or implied warranty. The user's exclusive remedy and the supplier's sole liability is limited to refund of the purchase price or replacement of any product shown to be otherwise than as warranted. The supplier will not be liable for incidental or consequential damages of any kind.

Suggestions of uses should not be taken as inducements to infringe any patents.
