DESCRIPTION

BOSS[®] Dual Sided Abrasive Wipes remove the toughest grease, tar, grime, ink, paints, sealants, adhesives and other difficult soils. Each pre-moistened wipe has a textured surface on one side that is ideal for cleaning heavy-duty soils from hands, tools and work areas. The wipes also have a smooth side for general purpose cleaning.

Typical applications of **BOSS[®]** Dual Sided Abrasive Wipes include automotive service departments, agriculture, field service trucks, industrial work stations, printing, manufacturing, plumbing and construction. They are ideal for use on most hard surfaces including painted walls, tools, work surfaces, signs, siding and bathroom partitions.

FEATURES

- **Pre-moistened**
- **Textured weave for added scrubbing power**
- **Contains an advanced formula and special dual-sided towel that removes:**
 - Acrylic
 - Enamel
 - Epoxy
 - Rubber cement
 - Oil
 - Silicone
 - Grease
 - Glue
 - Ink
 - Poly foam and much more . . .

NOTE

Always test on a hidden spot before use. Not suitable for some plastics, delicate surfaces and fabrics. Dry fluid from hands before handling sensitive items and equipment.

PACKAGING

BOSS® Abrasive Wipes are available in an 80 count tub. Each wipe is 8" x 12".

CAUTION

Avoid eye contact. Avoid prolonged contact with skin and clothing. Avoid contact with scrapes and cuts. Keep away from heat and flame. **First Aid: Ingestion:** Call a poison control center or physician for advice. Do NOT induce vomiting. **Eye Contact:** Flush with running water for at least 15 minutes. **Skin Contact:** In case of irritation, wash with plenty of soap and water. Seek medical attention if any irritation or symptoms persist. **KEEP OUT OF THE REACH OF CHILDREN. NOTE:** Not for personal hygiene use. For safe handling information on this product, consult the Material Safety Data Sheet (MSDS).

STORAGE AND SHELF LIFE

When stored in the original unopened containers at or below 90°F (32°C), **BOSS®** Abrasive Wipes have a shelf life of 12 months from date of shipment. In Countries where high heat and humidity are a factor, special precautions must be taken. Store product in a covered, well-ventilated warehouse and avoid excessive heat conditions. Storage in high heat, high humidity conditions may reduce shelf life by up to 30%. Rotation of stock is an absolute necessity. Cartons should always be stacked upright. **DO NOT** stack cartons on their side. **NEVER** stack cartons more than 8 high. **DO NOT** store within 1 meter (4 feet) of roofline of the warehouse or storage building.

USERS PLEASE READ

The information and data contained herein is believed to be accurate and reliable; however, it is the user's responsibility to determine suitability of use. Since the supplier cannot know all the uses, or the conditions of use to which these products may be exposed, no warranties concerning the fitness or suitability for a particular use or purpose are made.

It is the user's responsibility to thoroughly test any proposed use of our products and independently conclude satisfactory performance in the application.

Likewise, if the application, product specifications or manner in which our products are used requires government approval or clearance, it is the sole responsibility of the user to obtain sure authorization.

Non-warranty: Because the storage, handling and application of the material is beyond Accumetric's control, we can accept no liability for the results obtained. Accumetric's sole limited warranty is the product meets the manufacturing specifications in effect at time of shipment. There is no warranty of merchantability or fitness for use, nor any other express or implied warranty. Accumetric will not be liable for incidental or consequential damages of any kind. The exclusive remedy for breach of such limited warranty is a refund of purchase price or replacement of any product shown to be other than as warranted.

Suggestions of uses should not be taken as inducements to infringe any patents.
